ENGEDI INTERNSHIP PROGRAM 26/27

MINISTRY OPPORTUNITIES

COMMUNITY LIFE

The Community Life department is dedicated to helping people journey from first-time visitors to fully devoted followers of Jesus by getting connected to the local church. As an intern, you'll gain hands-on experience in discipleship, spiritual formation, and community building—playing a key role in helping others discover their purpose and grow in their faith.

This internship is a unique opportunity for you to deepen your own spiritual walk while developing leadership skills that will equip you for both life and ministry. If you're passionate about creating spaces where people feel seen, known, and loved, we'd love to have you on the team!

COMMUNICATIONS

The Communications Department supports ministries across Engedi by telling stories, sharing information, and creating clear, compelling content that helps people stay connected and engaged. Our Communications Internship offers a unique opportunity to gain practical experience in one of the following areas: photography, videography, copywriting, graphic design, or project management. Whether you're capturing compelling visuals, writing impactful stories, designing creative assets, or managing projects from concept to completion, this internship provides the chance to grow your skills while contributing to a larger mission. You'll work alongside our Communications team on active projects that support ministries across the church, gaining practical experience, feedback, and portfolio-worthy work.

KIDS

Are you passionate about working with kids and helping them discover what it means to live out their faith? Engedi Kids partners with parents to help kids from birth through 5th grade learn how to Love God, Serve Others, and Tell the World the good news of Jesus.

As an intern, you'll gain practical experience by:

- Creating fun and interactive activities that teach kids valuable lessons from the Bible.
- Building relationships with kids and families to support their growth and faith journey.
- Helping lead and organize events and activities that create a welcoming, safe environment for children.
- Developing leadership skills and collaborating with a team focused on making a real impact.

If you're looking to grow in your leadership abilities and be part of something that makes a difference in kids' lives, we'd love for you to join us!

ENGEDI INTERNSHIP PROGRAM 26/27

MINISTRY OPPORTUNITIES

STUDENTS

Engedi Students is where middle and high school students can encounter Jesus, build real friendships, and grow in their faith. Our vision is to see students passionately follow Jesus, live on mission, and step boldly into the purpose God has for them.

As a Students Intern, you'll gain hands-on experience in event planning, youth programming, volunteer coordination, small group support, and student outreach. You'll help create environments through worship nights, groups, retreats, and service opportunities, while developing leadership, communication, and relational skills that apply to both ministry and everyday life. You'll also learn how to support students as they navigate life's challenges, working alongside a team that is committed to helping students feel known, valued, and challenged in their faith. We make growing in our faith fun. Come be a part of making a kingdom difference in this next generation!

YOUNG ADULTS

Our Young Adults ministry is a thriving space for those aged 18-29 on Thursday nights to discover their purpose, build authentic community, and grow in their faith. We are shaping a generation with a passionate pursuit of Jesus and global impact - living out faith boldly, forming deep, life-giving connections, and pursuing God's call in every area of life.

The Young Adults Internship offers hands-on experience in event planning, community engagement, college campus outreach, and small group leadership. You'll work alongside ministry leaders to support weekly gatherings, outreach, and discipleship initiatives, developing leadership and organizational skills that will translate to your career. Join us in creating environments where young adults can encounter Jesus with faith on fire!

GLOBAL MISSIONAL LIFE

Engedi's Global team mobilizes people and resources to advance the gospel, strengthen communities, and support church multiplication around the world through long-term partnerships and sending. As a Global Intern, you'll gain hands-on experience in project coordination, research, storytelling, and administrative support for global initiatives. You'll help support trips, long-term workers, and outreach efforts while learning how global missions operate behind the scenes. Find your place in God's mission and join us as we represent Christ among the nations!

ENGEDI INTERNSHIP PROGRAM 26/27

MINISTRY OPPORTUNITIES

LOCAL MISSIONAL LIFE

Engedi's Local team partners with organizations in our community to meet practical needs and share the love of Jesus in tangible ways. As a Local Intern, you'll gain hands-on experience in program planning, volunteer coordination, partner communication, and community outreach. You'll help develop and execute local initiatives, collaborate with ministry partners, and support events that make a real impact. If you're passionate about loving your neighbor like Jesus, this internship offers meaningful, hands-on experience to learn how local missions are planned and sustained.

PRODUCTION

Our Production ministry covers all audio, video, and lighting across all Engedi locations. We work closely with Worship Arts to create an engaging environment that encourages worship. We believe that all of our lights, LED wall, and audio gear are just tools to engage people's senses and ultimately to create a space that facilitates connection with Jesus. While interning with Production, you'll learn audio production and editing, camera settings for livestream and capture, lighting programming, and so much more. This is a hands-on kind of experience!

WORSHIP ARTS

The Worship Department at Engedi Church is thriving with energy, creativity, and a deep sense of purpose. At the heart of this ministry is a passionate team of volunteers and staff who are dedicated to creating worship experiences that draw people closer to Jesus. Through fresh melodies, original songs, and an intentional focus on excellence, the team fosters an atmosphere where people can connect with God in meaningful ways.

As a Worship Arts Intern, you'll gain hands-on experience supporting weekly gatherings, rehearsals, and special events, while developing skills in production coordination, team communication, scheduling, and creative planning. You'll work alongside worship leaders, musicians, and production teams, learning what it takes to plan and execute meaningful worship experiences from behind the scenes. This is a unique opportunity to grow in both your musical or creative gifts and your leadership skills, while being part of a team that inspires lives every week.
