

Young Adults Freshman Outreach Internship

Position Description

(Updated July 2023)

Purpose of Position

Freshman year of college is one of the most critical to a new student's life. Every Freshman is asking the first month on campus, "who am I going to belong to?" When they make this decision it will be lasting, so the time to reach them for Christ is at the start. Help reach and disciple college freshman so they can experience a more vibrant relationship with Christ and engage in the life of Engedi Church. If you have a passion to build new relationships and see people come out of lonely places and step into life-giving community, then this is for you!

About Engedi

Engedi Church is a young, diverse, passionate and missional community of around 2,100 people who are committed to loving and serving God, our neighbors and the world. We preach the gospel, and we do our best to live it out. Since our inception in 2005, Engedi Church's mission has been to advance the kingdom revolution of Jesus worldwide. We have identified five core values we believe mark the advance of Jesus' kingdom in our midst (see engedichurch.com).

We believe God's original dream for creation was to create a community of people who experience complete wholeness of mind, body, emotions and soul in Him, and deep, meaningful and diverse relationships with each other. Jesus began His ministry by announcing He had come to bring good news to the poor, to release the oppressed and to free the imprisoned. He called the experience of these realities living in the kingdom of God. The kingdom of God is an ever-expanding reality of those who are experiencing the restoration of what was lost at the Fall—harmony with God, within ourselves and within our

relationships—all through the life, death and resurrection of Jesus. While full restoration won't occur until His return, Jesus invites us to both experience and extend restoration in the now. This is why Engedi exists.
