THE SEED COMPANY

KINGDOM BUILDERS PARTNER

Translating the Bible in order to see lives transformed.

Today, there are 2,000+ languages that have no scripture translated in their language. The Seed Company aims to engage every remaining language with God's Word.

DEAR ENGEDI FAMILY,

I believe there are very few giving opportunities that make the kind of impact that Kingdom Builders does. Last year your giving helped plant churches, translate the Bible, send missionaries to unreached areas and meet many needs here in West Michigan. I'll never forget hearing the overwhelming gratitude of an Engedi family we helped experience the joy of adoption this last year. Simply put, **your giving to Kingdom Builders is life changing**. Those really are the only words to describe it.

Now we're heading into a new calendar year filled with even more opportunities to make a difference in the name of Jesus. I hope that as you read this booklet you'll be exhilarated by all the ways your church is impacting the world. *And* I hope you'll be motivated to **be part of it**.

This year our goal is to raise \$600,000 through Kingdom Builders. That will only happen when every person who calls Engedi home says, "I want to be part of advancing God's kingdom throughout the world." Last year I was so moved when I heard about a high school student (yes, a high school student!) who saved up his own money and gave \$550 towards God's mission. I pray each one of us will have that same heart – a heart that **gives what we cannot keep to gain what we cannot lose**. May it be so in Jesus' name!

For King and Kingdom,

Brian Aulick
Lead Pastor

what is **KINGDOM** *BUILDERS?*

HAVE YOU EVER FELT A DESIRE TO STEP INTO SOMETHING GREAT? TO MAKE A LARGER IMPACT ON THE WORLD?

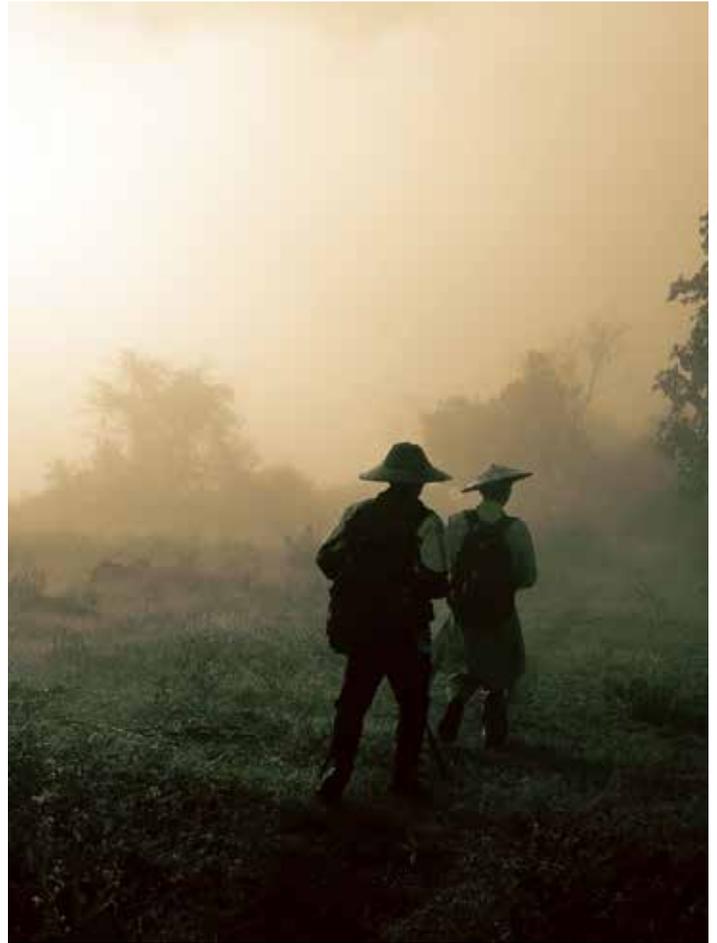

Engedi Kingdom Builders is built of individuals and families who prayerfully commit to give over and above their tithes to impact global missions, local outreach, and church planting.

We have a **diverse** world with a **big** need and an even **bigger** God. And our God is calling His people to meet that need. At Engedi, we partner with our community to make a tangible difference in our region. We are also compelled by Jesus to reach the entire world with the Good News of the Gospel.

As Kingdom Builders, we raise up and send out those with a passion to be sent worldwide, and we invest in organizations with a calling to make Christ-followers among all nations.

There are three areas of significance for Kingdom Builders:

LOCAL / GLOBAL / CHURCH MULTIPLICATION

LOCAL

Advancing the kingdom revolution of Jesus globally starts locally. We have the opportunity to proclaim the gospel through acts of love and compassion. Through partnerships with local organizations, Engedi is able to mobilize people and resources to meet the physical and spiritual needs of some of the most vulnerable and marginalized in our community.

GLOBAL

At the heart of advancing the kingdom revolution of Jesus is sending individuals and families to locations across the world with urgent spiritual and physical needs. We support key projects such as Bible translation, access to education, job placement for refugees, leadership training, and support for Christians suffering from intense persecution. As Engedi mobilizes people to respond to these needs, we come alongside those sensing a call to go and walk with them closely to affirm their calling, prepare them to be sent, and care for them while they are serving.

CHURCH MULTIPLICATION

Kingdom Builders funds the launch of regional church plants as well as new Engedi campuses. Church plants are proven to be the most effective means of evangelism and discipleship. Additionally, starting new churches helps reverse the long-standing trend of more churches closing than opening each year. By planting life-giving, Spirit-filled churches we look forward to seeing the body of Christ multiply.

This year, Engedi is planning to send up to 153 people on short-term trips to six countries to help support the ongoing work of our partners. We are also preparing to send five people on mid-term internships and mentorships.
